Harry Potter is a series of seven fantasy novels written by British author J. K. Rowling. The series chronicles the adventures of a young wizard, Harry Potter, the titular character, and his friends Ronald Weasley and Hermione Granger, all of whom are students at Hogwarts School of Witchcraft and Wizardry. The main story arc concerns Harry's quest to defeat the Dark wizard Lord Voldemort, who aims to become immortal, conquer the wizarding world, subjugate non-magical people, and destroy all those who stand in his way, especially Harry Potter.

This contains all 11 of the completed Horatio Hornblower audio books by C.S. Forester that I have managed to collect from various locations. I wanted to put them all together in one place to make it easier for others to find.

These sea-fairing swashbuckling stoires chart the rise of Horatio Hornblower from a lowly Midshipman up through the ranks of the Royal Navy during the Napoleonic wars. You may remember these stories from the TV shows but they don't do these tales the justice they deserve.

Include audio books (these are in chronological or listening order):

- 1 - Mr Midshipman Hornblower
- 2 - Lieutenant Hornblower
- 3 - Hornblower and The Hotspur
- 4 - Hornblower and The Crisis
- 5 - Hornblower and The Atropos
- 6 - The Happy Return
- 7 - A Ship of the Line
- 8 - Flying Colours
- 9 - The Commodore
- 10 - Lord Hornblower
- 11 - Hornblower in the West Indies

If you like the Sharpe series by Bernard Cornwell or the Emperor series by Conn Iggunden then this should be right up your alley. These are often cited as Sharpe at sea, even though they were written many years before, and are just as entertaining.

These are in all in MP3 format mostly at 128Kbps but are good quality
